Enterprise Services

Mike Nefkens

Executive Vice President and General Manager

Executive Summary

1

On track to meet FY16 guidance for revenue and operating profit: revenue expected to be flat to down 2% Y/Y in constant currency, while operating margins will be at the high end of our 6-7% outlook

2

Our turnaround plan has momentum entering FY17. We have stabilized revenue, win rates are up Y/Y, and profit margins have more than doubled since FY13

3

Our spin-merge with CSC will provide significant value to shareholders and create the number one independent, end-to-end IT services firm in the world

4

Separation activities are on track to complete our spin-merge with CSC on or about April 1, 2017, and our FY17 plan is developed

Enterprise Services has delivered on its commitments in FY16 and significantly improved performance over the past three years

1 ES revenue has stabilized with FY16 revenue roughly flat in constant currency for the first time since 2012

- Won several new large deals during the year, including Omnicom Group, Tesoro, Carrefour, Microsoft
- Strategic Enterprise Services (SES) revenue has grown 33% Y/Y YTD

2 Successfully executing our cost take-out plan to deliver on our OP commitments

- On track for cost take-out of over \$1.1B during FY16
- 49% of our workforce in low-cost locations, well on track to achieve our Low Cost mix target of 60% by FY18

3 Improved OP% by over 300bps over 3-year period

- 6.7% OP through three quarters with traditionally strongest quarter results still to come
- On track to meet our long term OP target of 7%-9%
